Students who earned less than a c- in the prerequisite course will be administratively dropped. Any student with 3 unexcused absences during the schedule adjustment period may be administratively dropped. It is the student's responsibility to drop all courses. Students will not receive credit for a lower-level course in foreign language instruction taken after credit has been given for a higher level course in the same language sequence. For example, students will not receive credit for ital 1010 after they have passed ital 1020. Selected courses in this department have a course fee of \$20 (subject to change) in support of ALTEC. Refer to the tuition & fees section of this handbook.
