ISSUING CAMPUS FOR TRANSFERS
Each campus has the authority to produce and issue a complete transcript that contains all courses attempted at all University of Colorado campuses, including their Continuing Education/Extended Studies Divisions. Official transcripts include the complete undergraduate, graduate, professional and non-degree academic record of all credit-based courses taken at all campus locations or divisions of the University of Colorado. Transcripts are not included in the University that produces the GPA. In record. Questions concerning the issuance or authenticity of this transcript should be directed to the issuing campus. Questions concerning courses, grades, or other academic information on the transcript should be directed to the campus the student attended.

STUDENT PRIVACY/RELEASE OF INFORMATION
In accordance with the Family Educational Rights and Privacy Act of 1974, this transcript is provided upon the condition that the receiver or those acting on behalf of the receiver do not disclose or provide access to the information contained in it to any other party without explicit consent of the student.

TRANSCRIPT FORMAT
The academic record of a student enrolled both before and after 1988 may be composed of two separately formatted transcripts. If “SEPARATE RECORD OF PRIOR WORK ATTACHED” appears at the beginning of a transcript, both transcript formats must be present for the transcript to be complete.

TRANSCRIPT AUTHENTICITY
Electronic PDF transcripts bear the Adobe@ Blue Ribbon certification and a GeoTrust CA electronic signature.

TRANSCRIPT NOTATIONS
Effective Fall 1995, Dean’s List notations appear at the end of each term earned. Students are considered to be in good standing with the university and eligible to re-enroll unless stated otherwise on the transcript. Students who have been expelled or who have active non-academic suspensions are not considered to be in good standing with the university and eligible to re-enroll unless stated otherwise.
