

Private Use Space Request Form

Space is a valuable asset, often requested or needed by competing interests within the University. It is the responsibility of the University to be cognizant of the best and highest use of available space and space assignments. Space is assigned by the Office of the Provost, in alliance with the Dean of the associated College and the associated Department/Unit. Before agreeing that a lease to a private entity does indeed advance campus goals, the following must be understood and conveyed in the Private Use Space Request Form.

1. A faculty member or staff member requesting space rental on behalf of a private sector entity must complete all applicable sections of this form. If necessary, provide an additional detailed explanation as to the nature of the request.
2. For private entities that are affiliated with University employees, approval from the employee's Department Chair, as well as their Dean or Director, is required.
3. The Dean, Director, or person with direct control of the space being requested, must also sign the form. Signature indicates agreement that space will be returned to campus use before a similar space is requested or can be provided to the Dean or Director's unit.
4. After meeting the above requirements, Real Estate Services (RES) will route the request for approval through Facilities Management's PD&C Office, the Office of Export Controls, the Office of Conflicts of Interest & Commitment, the Campus Controller's Office, the Office of Contracts & Grants, Venture Partners, and the Academic Resource Management Office, for review of any conflicts of interest, intellectual property issues, and financial compliance.
5. Upon approval by those parties, the request will be processed by RES for lease preparation.
6. Any lease will be subject to the terms and rates established by RES. Leased space may be required to be demised and separable from the space and activities of all other research units. Included in the rental rate is a 10% Administrative Fee which will be allocated to RES for facilitation and management of the lease agreement. All remaining rental revenue will be allocated as agreed upon by the Provost Office.
7. Completed Private Use Space Request Form must be submitted to RES via email to Kimberly.Pepitone@colorado.edu

Please Note: The use of lab equipment is not included in leases. For lab equipment rental requests, please contact the **Office of Contracts and Grants** at ocgservicecontracts@colorado.edu.

Request for Lease of Campus Space to Private Entity Form

SUBMITTED BY:

Name of Individual: _____ Title: _____

On Behalf of (Private Entity Name): _____

Department: _____

College or Unit: _____

Email & Phone #: _____

DEPARTMENT CHAIR approval:
