

Research & Innovation Office

University of Colorado Boulder

Lead. Innovate. Impact.

CU Boulder is committed to being the driving force behind a **dynamic research and innovation ecosystem** emanating from Colorado's Front Range, with **far-reaching impact** on the state, the nation and beyond.

Research Development

- ▶ The **Research Development** team offers tools and resources to help faculty identify opportunities for research, scholarly and creative activities:

 colorado.edu/researchinnovation/rd

Funding

Explore opportunities available through RIO, CU Boulder and external funders.

Proposal Development

Learn how to position yourself and your collaborators for success when writing proposals.

Faculty Development & Workshops

Get help navigating the process of applying for awards and grants.

Other Resources

Take advantage of our Broader Impacts Network, Shared Instrumentation Network and more.

- ▶ The **Office of Postdoctoral Affairs (OPA)** builds capacity in the next generation of researchers and scholars by providing training and career development opportunities for the CU Boulder postdoctoral community.

 colorado.edu/postdoctoralaffairs

Institutes and Centers

Our **12 research institutes** account for more than half of the sponsored research dollars at CU Boulder:

- ▶ Alliance for Technology, Learning & Society (**ATLAS**)
- ▶ BioFrontiers Institute
- ▶ Cooperative Institute for Research in Environmental Sciences (**CIRES**)
- ▶ Institute for Behavioral Genetics (**IBG**)
- ▶ Institute of Arctic & Alpine Research (**INSTAAR**)
- ▶ Institute of Behavioral Science (**IBS**)
- ▶ Institute of Cognitive Science (**ICS**)
- ▶ JILA
- ▶ Laboratory for Atmospheric & Space Physics (**LASP**)
- ▶ Renée Crown Wellness Institute
- ▶ Renewable and Sustainable Energy Institute (**RASEI**)
- ▶ University of Colorado Museum of Natural History

 colorado.edu/researchinnovation/institutes

CU Boulder's **75+ research centers** span the campus, covering a broad range of topics. Centers are single or multi-disciplinary units organized to conduct research, scholarship and creative work, education, and/or leadership and service activities. They are typically organized around the investigation of a specific theme, issue, project or policy topic.

 colorado.edu/research/research-centers

Research Administration

Office of Contracts and Grants

Manages external support for sponsored activities throughout the lifecycle of an award

 colorado.edu/ocg

Office of Research Integrity

Ensures researchers uphold CU Boulder's commitment to scientific and ethical integrity

 colorado.edu/researchinnovation/ori

Human Research & IRB

Protects the rights and welfare of subjects involved in human research

 colorado.edu/researchinnovation/irb

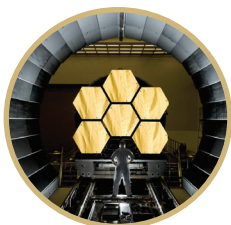

Office of Animal Resources

Provides high-quality veterinary care and support for research and teaching

 colorado.edu/researchinnovation/oar

Partnerships & Innovation

Industry & Foundation Relations

Supports strategic connections between companies, foundations and CU Boulder

 colorado.edu/industry

AB Nexus

Expands research collaborations between CU Anschutz and CU Boulder

 colorado.edu/research/abnexus

Center for National Security Initiatives

Supports strategic connections between companies, foundations and CU Boulder

 colorado.edu/center/nsi

CUbit Quantum Initiative

Reinforces Colorado's prominence in quantum science and technology

 colorado.edu/cubit

Venture Partners at CU Boulder

Unites industry, entrepreneurs and investors to help researchers solve problems

 colorado.edu/venturepartners

Innovation & Entrepreneurship

Leverages our vibrant startup ecosystem to foster a culture of high-impact innovation

 colorado.edu/innovate

Workforce Development

 colorado.edu/service/workforce

Supports new and creative ideas to build skills by elevating innovative partnerships with learners, skill-building organizations and community advocates.
