Student Academic Services Center
McNeill Peer Mentor – Student Assistant I

Program: McNeill Academic Program
The McNeill Academic Program is a multicultural academic learning community serving 500 students. McNeill delivers programming and services designed to support students from all backgrounds for a successful transition to the University, support student retention and academic success. We work with students from matriculation through graduation. Program participants include under-represented, first-generation and low-income undergraduates.

Position: McNeill Academic Program Peer Mentor: This position works directly with current McNeill Program students, incoming students and their families and McNeill Professional and Student staff.

Job Responsibilities: Support student's successful transition to the academic, cultural and social demands of the university. Be available to meet individually with first year students and organize group events throughout the academic year. Attend weekly mentor team meetings and staff McNeill events for first year students.

Required Qualifications: Engaged in McNeill, strong organizational skills, excellent verbal and written communication skills, comfortable with facilitating group discussions, demonstrated ability to build relationships with other students, excellent ability to work on a team and individually.

Preferred Qualifications: No preferred qualifications
