If you are claiming in-state tuition classification, you must complete this section regardless of previous classifications.

17. Are you claiming eligibility for Colorado in-state tuition classification?  Yes  No

If yes, carefully complete all of the following items. Failure to complete the information may result in your being misclassified or may cause delays that could affect your chances for admission. Mark N/A (not applicable) if appropriate. Month and year are sufficient for dates more than two years past. In addition to your own information, if you are not age 23 on the first day of classes for the term to which you are applying, provide information on your parent or court-appointed guardian.

In-state tuition eligibility requires one year of Colorado domicile (legal residence). Exceptions to the one-year requirement are provided for honorably-discharged members of the U.S. armed forces moving permanently to Colorado or certain dependents of honorably-discharged members of the U.S. armed forces; active-duty military stationed in Colorado or certain dependents of active-duty military; Colorado National Guard members; children of new faculty members at Colorado state-supported colleges; U.S. citizens, U.S. permanent residents, and undocumented/DACA applicants who attended 3 years of high school in Colorado; and existing employees (and their children) of companies moving to Colorado with state economic incentives.

Information about the Colorado resident/nonresident regulations including details of these exceptions is available from the Office of the Registrar at registrar.colorado.edu, by e-mail at [tuitclass@registrar.colorado.edu](mailto:tuitclass@registrar.colorado.edu) or by telephone at 303-492-6868. Married applicants under the age of 22 and applicants who are not Colorado residents but who are married to active-duty military personnel who are Colorado residents or who will be stationed in Colorado should seek further information as indicated above.

*Note: If you were previously classified as nonresident, you must submit a separate Petition for In-State Tuition to change your classification. Petitions are available from the registrar's office and must be submitted to that office by the first day of classes.*
