SCHOOL YEAR

ENROLL  
TODAY!

## Toddler Play Group

Tuesday & Thursday  
9:00am - 11:00am  
ages 18 months - 3 years

# The Child Learning Center

Wondering what makes our program special?

Our early childhood education program is rooted in the **Storybook Journey curriculum**; a child-centered, play-based approach that nurtures each child's unique interests and developmental needs. With a **dedicated team** including early childhood and special education teachers, a speech-language pathologist, occupational therapist, and graduate students, we offer **individualized support** and create goals based on **family priorities**.

Daily music, movement, and mindfulness activities, along with healthy allergen-free snacks, contribute to the positive, **inclusive community**. Small group sizes, **low teacher-student ratios**, and a **natural outdoor play space** enhance learning and growth in all areas. Families receive regular updates, a developmental portfolio each semester, and access to an **observation booth**, resources, and support.

Location: 2501 Kittridge Loop Road, Boulder, CO 80309 (CU Boulder Campus)
