

The Child Learning Center (CLC)

Toddler Play Group

Ages 18 months – 3 years

2025-2026 SCHOOL YEAR

Serving children and families in our community for over 50 years.

Tuesday & Thursday 9:00-11:00 am

Approach to Learning:

The CLC welcomes **ALL** children, including those who are neurodiverse and children without developmental concerns. We embrace diversity in all its forms and strive to provide equitable care to each family.

"A Boulder Gem!"

At CLC Toddler Group:

- We use the Storybook Journey curriculum. This is a child-centered and play-based curriculum that responds to each child's interests, strengths, and areas for development.
- Our highly qualified early childhood team supports all areas of development: communication, early literacy, social-emotional, gross and fine motor, and cognition and pre-academic skills.
- We do music, movement, and mindfulness every day!
- We provide a healthy, allergen-free snack! Snack is a time where we promote community and work to develop feeding skills and positive food experiences.

Unique Features:

- Low teacher-student ratio and small group size
- We pride ourselves on our committed and professional team that consists of an Early Childhood Teacher, Early Childhood Special Education Teacher, Speech Language Pathologist, and Occupational Therapist.
- Goals are developed for each child and based on family priorities
- Notes and activities sent home to families regularly
- Portfolio of development created each semester
- Large outdoor natural space and playground
- Children have a special teacher (MA-SLP Graduate Student) who will support them in the classroom and work closely with the family
- Observation booth available to families
- CLC's inclusive model allows for children and families to experience the benefits of learning alongside a diverse peer group. This promotes self-control, empathy, and a growing understanding of different experiences and perspectives.
