

# CURRICULUM VITAE

## Tammy L. Fredrickson

### EDUCATIONAL BACKGROUND

- 2010 Ph.D., Speech, Language & Hearing Science; University of Colorado, Boulder  
Dissertation Title: *Visual Reinforcement Infant Speech Discrimination: Developing a Method of Performance Analysis*, Advisor: Christine Yoshinaga-Itano, PhD
- 1998 M.S., University of Wisconsin at Stevens Point; Audiology
- 1996 B.S., University of Wisconsin at Stevens Point; Communicative Disorders

### CERTIFICATION

Certificate of Clinical Competence (CCC) in Audiology - the American Speech-Language-Hearing Association  
Certificate Holder – Audiology Preceptor - American Board of Audiology (2017)

### PROFESSIONAL EXPERIENCE

- 2024 – current Rocky Mountain Speech, Language, & Learning – Lafayette, CO  
Co-Owner and clinician; practice focused on interdisciplinary care for individuals who have difficulty with auditory processing skills
- 2024 – current Leadership Education in Neurodevelopmental and Related Disabilities (LEND) -- Audiology Discipline Director, JFK Partners, Developmental Pediatrics, Department of Pediatrics, University of Colorado School of Medicine
- Work with audiology LEND trainees and fellow LEND faculty to offer opportunities for enhancing knowledge and experiences related to working with young children who have hearing loss as well as secondary disabilities and their families
  - Organize and facilitate monthly didactic meetings for audiology LEND trainees
  - Serve as advisor for medium- and short-term trainee projects
- 2018 - current Associate Clinical Professor, University of Colorado Boulder, Boulder, CO  
Responsibilities:
- Instructor of Record:
    - SLHS 5918 – Audiology Clinical Practicum: Lab
    - SLHS 6544 – Auditory Processes: Adult Assessment
    - SLHS 6614 – Fundamentals of Amplification
  - Preceptor:
    - Language & Auditory Processing (LAP) diagnostic team - This clinical assignment engages 2<sup>nd</sup> year AuD students as well as SLP students in assessment of language and

auditory processing skills for clients from 7 – 60 years of age)

- Mentor student clinicians in development of test protocol, scoring/interpretation of tests, writing the report, counseling client/family regarding test results and recommendations
- Undergraduate Testing – This clinical assignment provides the 1<sup>st</sup> year AuD students with opportunities to learn foundational fundamental clinical procedures and counseling
- Director of Audiology Clinical Education (2010-2024)
  - coordinate Doctorate of Audiology (AuD) students' clinical practicum experiences/rotations;
  - communicate with and visit offsite clinics and supervisors;
  - develop/maintain clinical guidance/evaluations for students and supervisors;
  - meet with students regularly to review clinical progress;
  - supervise provision of audiological services by graduate students with patients at University of Colorado Hospital (services include behavioral diagnostic testing for all ages/populations, hearing aid fittings, repairs, and modifications) (lapse from March 2020 – August 2022 due to COVID impacts);
  - supervise provision of small group audiological rehabilitation classes by graduate students in both audiology and speech-language pathology for adults in the Boulder/Denver area
  - supervise provision of interdisciplinary auditory processing assessments for clients at CU's Speech, Language, and Hearing Clinic
  - work with students to develop their ability to provide high quality audiological services to their patients
  - work closely with the Chair of the AuD Faculty committee to review curriculum, advise students, schedule coursework
  - develop and implement clinical simulations for use as simulated learning experiences with AuD students (1<sup>st</sup> – 4<sup>th</sup> year) (beginning in March 2020)
- Council on Academic Accreditation: Program Director (2022 - 2024)
  - ensure the AuD program meets accreditation standards
  - prepare and submit annual report to CAA
  - prepare for and facilitate site visits as needed
- Leadership Education in Neurodevelopmental and Related Disabilities (LEND) – consultant (2022-2024):
  - assist with student training/experiences;
  - supervise trainees as they work on LEND-related projects

2010 – 2018
