TEACH IT FORWARD

Professional Development, Observation, & Coaching Program

YOUR EXPERIENCE

OBSERVE

Watch experienced members of a multidisciplinary team facilitate an inclusive, strengths-based classroom.

REFLECT

Identify a personal focus area and participate in a supported reflective process with an experienced coach.

GROW

Receive personalized coaching and learn evidence-based practices that you can apply right away.

TEACH IT FORWARD

Take practical strategies, resources, and concepts back to your program.

WHAT YOU'LL EXPLORE

- Pyramid Model practices
- INREAL communication strategies
- Social-emotional development
- Positive behavior guidance
- Inclusion of ALL learners
- Storybook Journey curriculum
- Developmental intervention
- Multidisciplinary teaming
