

Speech, Language, and Hearing Clinic

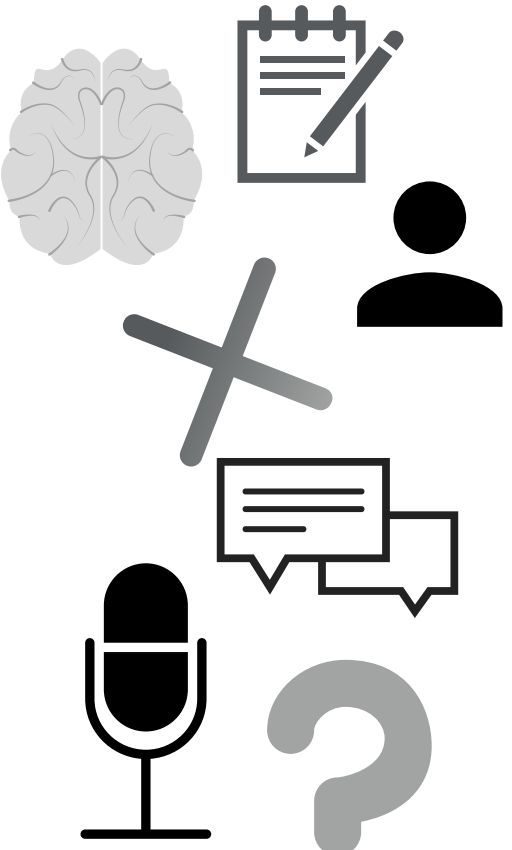

UNIVERSITY OF COLORADO **BOULDER**

Do you stutter? Do you think your child is stuttering? We can help!

FLUENCY EVALUATION

At the Speech, Language, and Hearing Clinic at CU Boulder, we start by **better understanding you and/or your child's communication concerns and experiences.** After a thorough speech assessment, **we offer recommendations, provide resources, and discuss treatment options** in order to best support you and/or your child.

If you are interested in scheduling, please contact us!
