

**HANNAH A GLICK, AuD, PhD, CCC-A**  
Curriculum Vitae  
[hannah.glick@unco.edu](mailto:hannah.glick@unco.edu)

---

## **CURRENT ROLE**

<b>Assistant Professor</b> University of Northern Colorado, Greeley, CO Communication Sciences & Disorders	2023—Present
--	--------------

## **EDUCATION**

<b>Doctor of Philosophy (PhD)</b> Combined Triple PhD in Speech, Language & Hearing Science; Cognitive Science; Neuroscience University of Colorado, Boulder, CO <ul style="list-style-type: none"><li>• Advisor: Dr. Anu Sharma, PhD</li><li>• Dissertation: Neurocognitive Function in Age-Related Hearing Loss: Effects of Early Treatment with Hearing Aids</li></ul>	2013—2019
--	-----------

<b>Doctor of Audiology (AuD)</b> Clinical Doctorate in Audiology University of Colorado, Boulder, CO <ul style="list-style-type: none"><li>• Capstone: Clinical Relevance of the P1 Cortical Auditory Evoked Potential Biomarker in Hearing-impaired Children with Multiple Disabilities</li></ul>	2012—2017
--	-----------

<b>Bachelor of Arts (BA)</b> Speech, Language, & Hearing Science University of Colorado, Boulder, CO	2010—2012
--	-----------

## **CLINICAL LICENSURE & CERTIFICATIONS**

<b>Certificate of Clinical Competence in Audiology (CCC-A)</b> American Speech-Language-Hearing Association (ASHA)	2017—Present
---	--------------

<b>Licensure in Audiology</b> State of Colorado	2017—Present
--	--------------

## **PROFESSIONAL EXPERIENCE**

<b>Teaching Assistant Professor &amp; Clinical Preceptor</b> University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science	2022—Present
--	--------------

<b>Contract Audiologist</b> Colorado Early Hearing Detection & Intervention (CO EHDI) State of Colorado, Denver, CO	2020—Present
<b>Affiliate Professor</b> Metropolitan State University of Denver, Denver, CO Department of Speech, Language, & Hearing Science	2020—Present
<b>Lecturer &amp; Clinical Preceptor</b> University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science	2020—Present
<b>Product Development Research Audiologist</b> Sonova (Medical device company) Valencia, CA	2019—2020
<b>Laboratory Manager</b> Brain & Behavior Laboratory Principal Investigator: Dr. Anu Sharma, PhD Department of Speech, Language, & Hearing Science University of Colorado, Boulder, CO	2017—2019
<b>Laboratory Instructor</b> University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science	2017—2019
<b>Lead Graduate Teacher</b> Center for Teaching & Learning University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science	2017—2019
<b>PhD Candidate / Graduate Research Assistant</b> Brain & Behavior Laboratory Principal Investigator: Anu Sharma, PhD Department of Speech, Language, & Hearing Science Department of Neuroscience Institute of Cognitive Science University of Colorado, Boulder, CO	2013—2020
<b>Graduate Teaching Assistant</b> University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science	2012—2019
<b>Pre-Doctoral Research Trainee (NIH/NIDCD T32)</b> University of Colorado-Denver, Aurora, CO, Department of Otolaryngology	2014—2016

<b>Undergraduate Research Assistant</b> CU Language Project Principal Investigator: Dr. Eliana Colunga, PhD Department of Psychology & Neuroscience University of Colorado, Boulder, CO	2011—2012
---	-----------

## CLINICAL EXPERIENCE

<b>Audiology 4th Year Resident/Extern</b> Denver Ear Associates (Neurotology private practice) Denver, CO	2016—2017
---	-----------

<b>Audiology Intern</b> Marion Down's Center (Non-profit clinic) Denver, CO	2016
---	------

<b>Audiology Intern</b> Cochlear Americas (Cochlear implant company) Denver, CO	2015
---	------

<b>Audiology Intern</b> UC-Health Hospital in Aurora, CO Satellite clinic in Boulder, CO	2012—2014
---	-----------

## AWARDS & HONORS

<b>R. Steven Ackley Educators Award</b> Colorado Academy of Audiology	2022
--	------

<b>Teacher of the Year Award</b> Nominated by undergraduate students in the Department of Speech, Language, & Hearing Science University of Colorado, Boulder, CO	2022
--	------

<b>Marinus Smith Award for Teaching &amp; Mentorship</b> University of Colorado, Boulder, CO	2022
---	------

<b>Teacher of the Year Award</b> Nominated by undergraduate students in the Department of Speech, Language, & Hearing Science University of Colorado, Boulder, CO	2021
--	------

<b>National Finalist</b> National 3 Minute Thesis Competition Nashville, TN	2020
---	------

<b>1<sup>st</sup> Place Award</b> Western Regional 3 Minute Thesis Competition Tucson, Az	2020
<b>1<sup>st</sup> Place Award &amp; People's Choice Award</b> University of Colorado 3 Minute Thesis Competition University of Colorado, Boulder, CO	2019
<b>Best Should Teach Silver Award</b> Center for Teaching & Learning University of Colorado, Boulder, CO	2018
<b>Editor's Pick: Top 25 Feature Articles in 2018</b> Hearing Review	2018
<b>Best Should Teach Silver Award</b> Center for Teaching & Learning University of Colorado, Boulder, CO	2017
<b>Exceptional Audiology Student Recognition (EAR) Award</b> Center for Teaching & Learning University of Colorado, Boulder, CO	2017

## RESEARCH GRANTS

### Hearing Industry Research Consortium

Title: Cross-modal re-organization and auditory-visual processing in amplification use

- Role: Co-Investigator/Research Assistant(Co-Investigator: Dr. Anu Sharma)
- Total amount: \$139,411
- Grant Objectives: 1) To examine cross-modal neuroplasticity in adults with untreated mild-moderate sensorineural hearing loss compared to age-matched normal hearing adults, and 2) to examine the effects of treatment with hearing aids on cross-modal neuroplasticity.

### NIH/NIDCD (Grant number: 1U01DC013529)

Title: Effectiveness of therapy via telemedicine following cochlear implants (TACIT)

- Role: Research Assistant (Principal Investigators: Dr. Anu Sharma, Dr. Jim Grigsby)
- Total amount: \$3,605,839
- Grant Objectives: 1) To compare language outcomes following 6 months of aural rehabilitation/auditory verbal therapy delivered in-person vs. through telemedicine in children with hearing aids and cochlear implants, and 2) to compare auditory cortical auditory maturation following 6 months of aural rehabilitation/auditory verbal therapy delivered in-person vs. through telemedicine in children with hearing aids and cochlear implants.

**NIH/NIDCD (Grant Number: 5T32DC012280)**

Title: Institutional Training in Otolaryngology Research

- Role: Pre-Doctoral Research Trainee (Principal Investigators: Dr. Sue Kinnamon, Dr. Herman Jenkins)
- Total amount: 2-year salary stipend, tuition, and travel
- Project Objectives: To evaluate auditory, visual, and somatosensory cortical neuroplasticity in adults and children with single-sided deafness before and after treatment with cochlear implants.

**University of Colorado Institute of Cognitive Science**

Title: Virtual assessment of audio-visual speech perception in hearing impaired listeners

- Role: Co-Investigator (Co-Investigator Lauren Durkee, AuD; Research Mentors Dr. Anu Sharma and Dr. Sarel Van Vuuren)
- Total amount: \$5,000
- Grant Objectives: To evaluate the feasibility of assessing auditory-visual speech perception in noise in normal hearing and hearing impaired listeners using a cloud-based web and mobile system delivered by a virtual therapist.

**Undergraduate Research Opportunity Award (UROP)**

Title: Language and cognitive development in early-talking and late-talking children

- Role: Undergraduate Research Trainee (Research Mentor: Dr. Eliana Colunga)
- Total amount: \$4,500
- Project Objectives: To compare language development longitudinally in a group of early-talking vs. late-talking children.

**RESEARCH MENTORING EXPERIENCE****AuD Capstone Project Mentoring**

University of Colorado, Boulder, CO

- Supervised, trained, and mentored AuD students and undergraduate students in a laboratory setting. These students were paid hourly as graduate or undergraduate research assistants and were working on undergraduate research/thesis projects or graduate research/Capstone projects.
  - AuD Students: Nina Harris, Jamie Falcone, Vanessa Olivares, Carly Schimmel, Janine Wilson
  - Undergraduate Students: Theresa Hennessy, Lindsay Palumbo

**Leadership Education in Neurodevelopmental and related Disabilities (LEND) Mentoring**

University of Colorado, Aurora, CO

- Supervised, trained, and mentored AuD students involved in LEND projects with the Colorado Early Hearing Detection & Intervention (CO EHDI) Program
  - AuD Students: Hannah Wilson, Katie Lohr, Madison Romero

  20. Harris, N., **Glick, H.**, Duncan, E., Deeves, E., & Sharma A. (2017, October). A new test for measuring speech in noise perception with and without visual cues. Poster presentation at the Colorado Academy of Audiology (CAA), Denver, CO.
  21. Duncan, E., **Glick, H.**, Deeves, E., Harris, N., Sharma, A. (2016, November). Perceptual, Cognitive, and Social-emotional changes in adults with hearing loss. Poster presented at the Colorado Academy of Audiology research session, Denver, CO.
  22. Deeves, E., Harris, N., **Glick, H.**, Duncan, E., Sharma, A. (2016, November). Adding visual cues to speech in noise: Seeing how patients perform in the real world. Poster presented at the Colorado Academy of Audiology research session, Denver, CO.
  23. Deeves, E., **Glick, H.**, Sharma, A. (2016, March). A brain-based clinical measure for assisting in early intervention for children with auditory neuropathy spectrum disorder. Poster presented at the annual Early Hearing Detection and Intervention (EHDI) meeting, San Diego, CA.
  24. **Glick, H.**, Sharma, A., Campbell, J., Torres, J., Dorman, M., Zeitler, D. M. (2015, October). Cortical neuroplasticity in single-sided deafness. Annual Society for Neuroscience conference, Chicago, IL.
  25. Glick, H., Campbell, J., Sharma, A., Zeitler, D., Torres, J., Dorman, M. (2015, November). Cortical Neuroplasticity in Adults & Children With Single-Sided Deafness. American Speech Language Hearing Association Convention, Denver, CO. **Meritorious poster designation.**
  26. **Glick, H.**, Sharma, A. (2015, November). Brain Changes in Hearing Loss. American Speech Language Hearing Association Convention Denver, Denver, CO. **Meritorious poster designation.**

27. **Glick, H.**, Sharma, A., Van Vuuren, S. (2015, November). Virtual Assessment of Audio-Visual Speech Perception in Background Noise: American Speech Language Hearing Association Convention Denver, CO.
28. Durkee, L., **Glick, H.**, Sharma, A., Petersen, J. (2014, April) Sensory Gating in Hearing Loss. Poster presentation at annual Cognitive Neuroscience Society Conference, Boston, MA.
29. Durkee, L., **Glick, H.**, Campbell, J., Peterson, J., Sharma, A. (2015, April). Compensatory changes in cortical resource allocation and auditory sensory gating in early stage hearing loss. Poster session at the annual Cognitive Neuroscience Society meeting, Boston, MA.

## ORAL PRESENTATIONS

1. Sommerfeldt, K., Stredler-Brown, K., **Glick, H.**, Fries, J., Wilson, H., Maynard, T., Doolittle, K., (2022, October). Systematic improvement process in infant hearing screening via the virtual site visit (VSV) project Colorado Academy of Audiology Conference, Vail, CO.
2. **Glick, H.** (2017). *Cross-modal re-organization in hearing loss*. T32 Seminar Series, University of Colorado Anschutz Medical Campus, Aurora, CO.
3. **Glick, H.** (2018). *Multifaceted approaches to providing healthcare guest panel*. GlobeMed, University of Colorado, Boulder, CO.
4. **Glick, H.** (2018). *Brain changes in single-sided deafness*. Department of Otolaryngology Research Day, University of Colorado Anschutz Medical Campus, Aurora, CO.
5. **Glick, H.** (2016). *Cortical Cross-modal re-organization in clinical populations with hearing loss*. T-32 Seminar Series, University of Colorado Anschutz Medical Campus, Aurora, CO.
6. **Glick, H.** (2015). *Cortical neuroplasticity in single-sided deafness before and after cochlear implantation*. Department of Otolaryngology Research Day, University of Colorado Anschutz Medical Campus, Aurora, CO.

## PUBLIC SPEAKING / SCIENCE COMMUNICATION

1. Darrow, K., **Glick, H.** (2022). *All Things Good and Bad About the AuD*. The Dr. Keith Darrow Podcast.
2. Syms, M., **Glick, H.** (2022). *Socialization and cognitive function in hearing loss*. Listen Up! Podcast.
3. **Glick, H.** (2020). *Exploring all of your career options*. Center for Teaching and Learning Spring Conference, University of Colorado, Boulder, CO.
4. **Glick, H.** (2019). *Your brain on hearing aids*. National 3-Minute Thesis Competition, Nashville, TN. National Finalist.
5. **Glick, H.** (2019). *Your brain on hearing aids*. Western Graduate Regional 3-Minute Thesis Competition, Tucson, AZ. First Place Winner.
6. **Glick, H.** (2019). *Your brain on hearing aids*. 3-Minute Thesis Competition, University of Colorado, Boulder, CO. First Place Winner & People's Choice Award.
7. **Glick, H.** (2018). *Exploring alternate career paths*. Ignite Boulder, Boulder Theater, Boulder, CO.

8. **Glick, H.** (2018). *Can hearing aids fight dementia?* Ignite presentation, University of Colorado Graduate Teacher Program Spring Conference, Boulder, CO.
9. **Glick, H., Sharma, A.** (2015). *Hearing loss and the brain.* Hearing Loss Association of America (HLAA), Denver Chapter, Denver, CO.

## **GRADUATE COURSES TAUGHT AT UNIVERSITY OF NORTHERN COLORADO**

### **\*Auditory Processing (ASLS731-470)**

University of Northern Colorado, Greeley, CO

- Mode/Format: In-Person
- Provides theoretical overview, biologic bases, audiologic assessment, and management of adults and children with listening difficulties, including auditory processing disorder (APD). Emphasis on application of theoretical knowledge to practical clinical audiology methods and techniques.
- 17 1st and 2nd year AuD graduate students per semester
- Semesters Taught: Summer 2023

\*Redeveloped this course

## **GRADUATE COURSES TAUGHT AT UNIVERSITY OF COLORADO**

### **\*Audiology Clinical Practicum (Level 1) (SLHS 5918)**

University of Colorado, Boulder, CO

- Mode/Format: In-Person
- Provides clinical training in the on-site Speech, Language and Hearing Center in skills including audiology identification, evaluation and management for adults and children with hearing loss.
- 8-14 1st year AuD graduate students per semester
- Semesters Taught: Fall 2020, Spring 2021, Fall 2021, Spring 2022, Fall 2022, Spring 2023

\*Redeveloped this course

### **\*Auditory Processes: Neurodiagnostics (SLHS 6564)**

University of Colorado, Boulder, CO

- Mode/Format: In-Person
- Provides advanced study in the neural bases of hearing. Includes theoretical foundations and clinical assessment of neurological functioning in auditory systems with both normal and impaired function.
- 8-14 1st Year AuD graduate students per semester
- Semesters Taught: Spring 2021

\*Redeveloped this course

### **\*Counseling and Multicultural Issues in SLHS (SLHS 6650)**

University of Colorado, Boulder, CO

- Mode/Forma: In-Person
- Explores counseling theories and techniques following the diagnosis of a communication disorder across the lifespan. Considers issues related to grieving and mourning,

parenting, disability, cultural customs, attachment, and relationships. Covers professional ethics and ethical responsibilities.

- 16-28 2nd and 3rd year AuD graduate students per semester
- Semesters Taught: Spring 2020, Spring 2022

\*Redeveloped this course

### **\*Seminars in Audiology: Advanced Topics (SLHS 7800)**

University of Colorado, Boulder, CO

- Mode/Format: In-Person and Hybrid (In-person/online)
- Graduate seminar exploring advanced topics in the field of audiology as they relate to diagnosis and rehabilitation. Topics include novel clinical issues and topics including tinnitus, intra-operative neurophysiological monitoring, pharmacology and regenerative medicine in audiology, hyperacusis, misophonia, and auditory processing disorder. Discussion of evidence-based literature surrounding these topics is central to this seminar.
- 16-28 2nd and 3rd year AuD graduate students per semester
- Semesters Taught: Fall 2020, Fall 2022

\*Redeveloped this course

## **UNDERGRADUATE COURSES TAUGHT AT UNIVERSITY OF COLORADO**

### **\*Introduction to Communication Disorders (SLHS 2000)**

University of Colorado, Boulder, CO

- Mode/Format: In-Person
- Surveys communication disorders, including hearing impairments, learning disabilities, and speech-language disorders, as well as an introduction to basic speech and hearing science.
- 100-150 lower division undergraduate students per semester
- Semesters Taught: Fall 2021, Fall 2022

\*Redeveloped this course

### **Science of Human Communication (SLHS 2010)**

University of Colorado, Boulder, CO

- Mode/Format: In-Person and Online (synchronous)
- Discusses how human communication (the process by which a thought is transmitted from the brain of a speaker to the brain of a listener) involves a complex interaction of acoustics, anatomy, physiology, neurobiology, and psychology.
- 60-120 lower division undergraduate students per semester
- Semesters Taught: Spring 2020

### **Hearing Science (SLHS 3106 and SLHS 3107-750)**

University of Colorado, Boulder, CO

- Mode/Format: In-Person and Online (asynchronous)
- Focuses on the three main aspects of the hearing process: 1) Sounds in the environment (physical acoustics), 2) sounds encoded within the auditory system (physiological acoustics), and 3) perception of sound (psychological acoustics).
- 40-60 upper division undergraduate students per semester

- Semesters Taught: Fall 2020, Fall 2021, Spring 2022, Fall 2022, Spring 2023

**\*Audiological Evaluation (SLHS 4704)**

University of Colorado, Boulder, CO

- Mode/Format: In-Person
- Studies basic principles and techniques of hearing evaluation, including pure-tone, speech, immittance, and advanced audiometry; hearing conservation in hospital, school, and industrial settings; and identification and evaluation of auditory pathologies. Required projects in screening and pure-tone audiometry.
- 40-60 upper division undergraduate students per semester
- Semesters Taught: Fall 2020

\*Redeveloped this course

**\*Audiological Rehabilitation (SLHS 4714)**

University of Colorado, Boulder, CO

- Mode/Format: Hybrid (In-Person/Online)
- Covers basic principles and techniques related to the habilitation and rehabilitation of individuals who are deaf or hard of hearing: amplification, speech, language, auditory, speech reading, and educational issues.
- 30-50 upper division undergraduate students per semester
- Semesters Taught: Fall 2022, Spring 2023

\*Redeveloped this course

**UNDERGRADUATE COURSES TAUGHT AT METROPOLITAN STATE UNIVERSITY OF DENVER**

**Introduction to Communication Science (SLHS 1500)**

Metropolitan State University of Denver, Denver, CO

- Mode/Format: Online
- Introduces students to the science of communication across the lifespan, relationship of culture to communication, and the impact of communication disorders on individuals and families. Intervention and assessment options for speech, language, and hearing development are also explored.
- 20-30 lower division undergraduate students per semester
- Semesters Taught: Fall 2021

**\*Neural Bases of Communication and Its Disorders (SLHS 4530)**

Metropolitan State University of Denver, Denver, CO

- Mode/Format: Online
- Course explores how the nervous system supports communication and how neurological impairments may disrupt communication. The role of the central and peripheral nervous systems in speech production and perception is reviewed along with the neurological organization of language and cognitive-communication abilities. Current research on brain-based communication disorders is also considered.
- 15-30 upper division undergraduate students per semester
- Semesters Taught: Spring 2022

\*Created this course

## ENTREPRENEURIAL EXPERIENCE

<b>Founder, Owner</b> The HEARO Project, LLC (Research and clinical consulting agency) Louisville, CO	2020—Present
<b>New Venture Start-Up Challenge</b> University of Colorado, Boulder, CO	2020
<b>Coursework in Entrepreneurship</b> Leeds School of Business University of Colorado, Boulder, CO	2020
<b>Business Planning Bootcamp</b> Boulder Small Business Development Center, Boulder, CO	2019

## SCHOLARSHIPS

<b>New Century Doctoral Scholarship</b> National American Speech-Language-Hearing Association \$20,000	2017
<b>Research Fellowship Award</b> University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science \$15,000	2017
<b>Travel Award</b> University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science \$3,300	2017
<b>Conference Registration &amp; Travel</b> American Cochlear Implant Alliance (ACIA)	2017
<b>Summer Research Fellowship Award</b> University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science \$6,800	2017
<b>Vollintine Scholarship</b> University of Colorado, Boulder, CO \$10,000	2016—2017
<b>Summer Research Fellowship Award</b> University of Colorado, Boulder, CO Department of Speech, Language, & Hearing Science	2016

\$2,290
