

# Speech, Language, and Hearing Clinic

UNIVERSITY OF COLORADO **BOULDER**

**Is your toddler** difficult to understand, frustrated about expressing himself/herself, or not understanding your directions?

**Is your preschooler** mispronouncing speech sounds, not engaging in storytime activities or frequently confused about what you say?

**Is your school-age child** struggling to pay attention to people talking, following teacher instructions, learning to read, or expressing themselves verbally and in writing?

## You and your child might benefit from one of our many options:

- **Speech and Language Assessment**
- **Language and Literacy (Reading and Writing) Assessment**
- **Auditory Processing Assessment**
- **Treatment for Speech, Language Learning, Reading and Writing Difficulties**

*Financial assistance options available!*
