

Global Seminar: Rosario, Argentina

June 2- July 7 2018
5-week summer language
and culture intensive

- 6 upper division Spanish credits (3260 and 3000 level culture class)
- Study with Spanish Department seasoned faculty members
- Counts for all Spanish majors/minors, Foreign Affairs and Engineering with global concentrations / area studies, all students wanting upper division language credits
- Host family stay
- Authentic experience in a Spanish-speaking only, minimally touristic region of Argentina
- Excursions include tango classes, an island boat trip and traditional *asado*, museum excursions, city tours, a special Argentine film series for program students, soccer games, group lunches and more!
- Minimum requirement: SPAN 3000 or equiv. by program start
- Informal internship opportunities after program end
- Cost effective: this is one of the most affordable Global Seminars at CU-Boulder!

Interest Meeting is September 26th at 5:00 pm
C4C room N215
