APPROVED VENDORS

Anyone wishing to use the marks, logos and symbols of the University of Colorado must be an approved licensed vendor.

- A list of approved vendors can be found at [**clc.com/license-search**](https://clc.com/license-search)

- **Approval Process Steps:**

1. Team will discuss interest in apparel/merchandise purchase with club coordinator and receive approval to move forward with contacting licensed vendors for order.
2. Team will work with desired licensed vendor on artwork concept. After selecting desired artwork, vendor will work with Licensing to ensure artwork receives CU approval.
3. Team will provide vendor quote.
4. Coordinator will request Purchase Order to be issued to vendor for approved order.
5. After receipt of items and verification of order accuracy, Coordinator will submit invoice for payment.

APPROVED VENDORS NOTE:

- If artwork is denied, the club coordinator should contact a member of the CU Branding and Licensing team to get clarification on reason for denial. Club Coordinator can then share this with team or vendor who can address the issue and resubmit for approval.
- Licensees are required to submit request for approval per order. This means, if an item was approved in 2022 and there is a desire to purchase the same item now, the vendor must seek approval again.
- Merchandise should be approved on an annual basis. A club should not carry inventory from year to year.
- It is understood that uniforms may be used for several years. There is not an expectation to purchase uniforms annually. However, if a team does purchase uniforms annually, then the uniform must be approved with each year's purchase.
- If a licensed vendor does not seek appropriate approval, please notify Branding & Licensing so they can address the issue with the vendor.
- If a team uses a non-licensed vendor, the individual making the order is responsible for the purchase and the team will not be able to use the merchandise that was purchased.
- CU Sport Clubs are permitted to use the Ralphie mark.
- Legacy/Historic marks are not available for CU Sport Clubs.
