**12:30 p.m. New Business: Is there anyone interested in carrying this issue from constituent ?**

“I would like to know how to file an official complaint about the rec center increases. They are raising the rates \$90. I thought the campus wants to increase healthy choices for staff. This instead, will cause more people to quit the rec center and sit on the butts getting fat, lazy and depressed! I don't think the staff should be penalized for a project the students voted for! I also don't see why they can't have an adjustable rate for staff depending on your pay. That might be a workable solution. But as it is, a blanket raise in fees is ridiculous! I don't know how to complain or to whom, but would like to encourage SC to get involved. Personally, I don't think staff should have to pay anything for the rec center. It should be included in our campus healthy guidelines and a possible benefit for those of us who are here.”
