**UMC 235**

### Retreat Focus:

As you review the agenda below, you'll notice that we have a packed day! This year's retreat is focused on looking inward, building relationships, and creating a strong foundation for our year's work. We will spend time learning about Staff Council and each other, building relationships, and working together to develop priorities and goals for the year. We look forward to spending this meaningful time together, and to continuing these efforts throughout the year during our monthly Full Council meetings with further development, conversations with University Leadership, and sustained support of staff members at CU.

### Past and Present Chairs Panel:

At the end of the day, we'll host a panel of our past and current Staff Council Chairs to answer questions and share reflections of their own Staff Council experiences. Please submit a question for the panel at [this link](#) by Thursday, August 8 at 9:00 am. Topics such as future Staff Council goals, highlights, opportunities, or challenges are welcome, as well as any other questions related to their experiences with Staff Council.
