a. I started at the beginning of September not knowing that finding parking would be an issue. From what I can see there are fewer employee parking spots available at the start of each semester. I am on a waitlist and have been purchasing daily parking. The calendar opened today for 1/8/26 (first day of classes) and suddenly the parking is all full on main campus. The Buff Bus has also been discontinued at the C4C, which eliminates east campus and Will Vill parking as a viable option. I am hoping that something can be done - at least bring the bus back please. Due to physical limitations, I am unable to walk a mile each way from my car to the office. I am working on accommodations but that is not an easy process either. Thanks for any support you can provide to myself and other colleagues that I know are having parking issues.
