THE PULSE

1. Danielle Young - This is very specific to staff who park in lot 430, which is in front of the Koelbel building, so not sure if this is the best place to bring this up. One of the Leeds staff brought up the problem that exiting the parking lot at the end of the day is tough and has become dangerous. Turning left out of the parking lot is sometimes impossible because of the traffic on Regent drive. If you're not aggressive, you could be waiting quite a while to turn out of the lot. There is also a crosswalk right in front of Koelbel, and cars fly down Regent drive, which makes using the crosswalk dangerous. Would love to bring up the idea of a crosswalk light or potentially some help from parking services to direct traffic around 5pm.

2. John Zizz - Updating the tuition benefit. Looking for creative and sustainable ways to have Regents, Chancellor's, Provost's, Campuses, provide full tuition benefit for employees and their dependents.
