Proposal for Improvement of CU Boulder Tuition Benefits

WHEREAS Boulder Campus Staff Council (BCSC) continues to hear regularly from our constituents, both University & Classified Staff employees responding to BCSC surveys, that the current Boulder Campus Tuition Benefit needs to be improved.

WHEREAS BCSC is aware that Faculty have also been attempting to secure improvements to the Tuition Benefit through the Boulder Faculty Assembly (BFA), we initiated a Tuition Benefit Working Group (TBWG) in the fall of 2013. The TBWG consisted of representatives from BFA, Bursar's office, Human Resources, BCSC, Registrar's office, and Planning, Budget and Analysis. The actual list of participants is included in the attached "Proposal for Improvement of Tuition Benefits" document (the Proposal).

WHEREAS Boulder Campus Staff Council understands the financial constraints involved in improving the Tuition Benefit, we are submitting the Proposal for review to Kelly Fox, SVC and CFO on the Boulder campus.

THEREFORE we respectfully request that the Office of the Chancellor, in conjunction with Boulder Campus's Chief Financial Officer, Kelly Fox, review the Proposal for Improvement of CU Boulder Tuition Benefits, understand this resolution has been passed by the Boulder Campus Staff Council in support of this Proposal and that the participants of the Tuition Benefit Working Group also support the Proposal.
