

Access to the CU-SIS Employer View Screen

View students' work-study awards and earnings throughout the semester using the Work-study Employer View page in CU-SIS

If you don't have ISIS access:

Complete the Training Courses

Training courses. A third is recommended, but not required in Skillsoft

CU: Introduction to CU-SIS-Campus Solutions

CU: FERPA

CU: CU-SIS Campus Community (recommended)

Submit a CU-SIS Access Request Form

Once you've completed both required training courses, please complete the CU-SIS access request form.

1. Go to <https://www.colorado.edu/registrar/faculty-staff/student-data/access>
2. Click link to the CU Student Integrated Systems (CU-SIS) Access page.
3. Under the CU-SIS Campus Solutions (CS) section, click the "here" link to open a form
4. Complete the user section (page 1 and part of page 2).
5. Submit the form to your supervisor.

If you have CU-SIS access, simply email Susan.Youtz@Colorado.edu and include your full name, department name, and your Campus Solutions Operator ID (something like SMIT000001) or your HR Employee ID (123456).
