The D.A.M. Show
Choreographer’s Notes

“Anyone who tries to make a distinction between education and entertainment doesn’t know the first thing about either.”
– Marshall McLuhan

It is so very important that I acknowledge the artistic collaborations of the entire cast and crew. Quite literally, their individual creative talents and unique skills are what inspired this D.A.M. show from its inception. Each and every contribution is integral and without these partners, The D.A.M. Show would be nothing more than an amusing idea. Thank you from the bottom of my soul for being who you are and enabling us all to learn together.

Special Thanks

An eternal amount of gratitude goes out to all the CU Theatre & Dance faculty, staff and students.
