## Rabbit Hole

By David Lindsay-Abaire  
Directed by Wesley Longacre

March 30-April 3, Loft Theatre  
Tickets \$14

There is always light at the end of the tunnel. Rabbit Hole follows a couple trying to find that light in the midst of a life-altering tragedy. David Lindsay Abaire's Pulitzer Prize-winning play charts a search for hope in the midst of unthinkable darkness and the ways we continue on in the face of heartbreaking circumstances.

"Almost unbearable to watch at times is its insistence on presenting a tragedy and its consequences with utter candor, and without sentimentality. I don't frequently advise people to pay good money to have their hearts broken, but trust me on this one." —USA Today
