III. Chair's Report

a. Staff Member Approval

Emily: Justin is here today as a possible staff member rep on UMC Board

Justin: I do student affairs outreach with Career Services, in part. One reason I'm interested in serving here is that during my undergrad years I served on our Union Board at Purdue (a similar entity to this board). I want to get back into a capacity fulfilling that kind of contribution I made in the past. I did a masters in higher education administration. I owe a lot of my current work and profession to that work on that union board.

Emily: If you were an office supply, what would you be?

Justin: Stapler, since they hold pieces together.

Emily: What does the M in UMC mean to you?

Justin: What resonates with me is that idea that the building is a memorial for veterans. The Purdue Student Union Board was also honoring the traditions and veterans who have served the country.

Hannah: How many years have you been here?

Justin: 6 months.

Maria: Where did you get your Masters?

Justin: U of Utah.

Justin Felton approved as UMC Board Staff Voting Member by acclimation.
