UROP BEST PRACTICES COLLOQUIUM

ENVIRONMENTAL DESIGN RESEARCH COLLOQUIUM SERIES

SEPTEMBER 23, 2019

FALL 2018- SPRING 2019

EMILY GREENWOOD

PAUL CHINOWSKY AND GEORGIA LINDSAY
GOALS
The Program in Environmental Design (ENVD) aims to:

1. develop a culture of research throughout the ENVD curriculum for a diverse population of students, and

2. increase visibility of the research and creative work of ENVD faculty, and

3. expose students to research, scholarship and creative work while actively engaging them in conversations with faculty, beginning in the freshman year.
